Education

Vivekananda Institute of Professional Studies

Bachelor of Computer Applications - CGPA : 8.35 / 10.0

Aug 2023 – Jun 2026

Delhi

Kendriya Vidyalaya

CBSE (Science) Class 12th, Percentage : 75.2 %

Apr 2022 – Mar 2023

Thane, Maharashtra

Projects

Quizzer - HTML, CSS, JS [🔗](#)

2023

- Developed an interactive quiz website using html, css, and js, allowing users to create and participate in quizzes, making learning engaging for teachers and students.
- Designed a simple yet visually appealing interface with smooth animations, images, and audio elements to enhance user engagement. The interactive design can help make studying more enjoyable.
- Included 2 default quizzes & features for custom quiz creation, making it versatile for different learning needs.

Productive Start Page - HTML, CSS, JS (extension) [🔗](#)

2024

- Developed a visually enhanced and customizable home page for the browser's tab, integrating features like a to-do list manager, settings to improve user productivity and enhance the browsing experience.
- Implemented real-time weather updates using the OpenWeatherMap API covering over 200,000+ cities, allowing users to stay informed while efficiently managing tasks.

Digital Periodic Reference - HTML, CSS, JS [🔗](#)

2024

- Developed a visually appealing and user-friendly periodic table website, featuring detailed element information, images, and an intuitive interface. Designed to help students and enthusiasts explore chemical elements effortlessly.
- Integrated 2+ interactive games to enhance engagement and improve memorization. These games reinforce learning through fun challenges that help users retain key information about elements, atomic structures, and properties.

Experience

ACE | *Core Member*

October 2023 - Present
